

Lead Times

The “Due Date” shown on our purchase order or advised by a Southco Buyer is the date we expect that your material will arrive at our respective locations.

A major factor used in determining your overall Supplier Rating is based on your ability to meet our “Due Date”.

In an effort to assist you with factoring in travel times for materials being shipped to us, we have attached the ***Estimated Transit Time Map***.

As on-time deliveries are ultimately your responsibility, the transit times listed on the map should be used as an estimate only and you should check with the respective Carrier before scheduling our orders.
